CELINE PETITE WHITE

A New Sustainable Icon

Timeless, classically-inspired elegance, compact dimensions, innovative materials and a striking new colour range: the Celine Petite White freestanding bathtub from Devon&Devon perfectly embodies the philosophy of contemporary living.

Its compact design makes it ideal for smaller bathrooms, adding an unmistakable touch of style and offering exceptional comfort.

CREATED IN FLORENCE. INSPIRED BY THE WORLD.

Its monolithic body, characterised by rounded profiles and a thin frame, is crafted entirely from White Tec Plus. This sustainable material, certified Green Guard Gold, is made exclusively for Devon&Devon using Biobased® vegetable-derived resins.

In response to the increasing demand for colour customisation, the Celine Petite White is available not only in white but also in a full range of colours from the NCS palette, all in a sophisticated matt finish.
