INSPIRED BY THE GEOMETRIC SHAPES OF FRENCH CASTLES

Château Mirror

Devon&Devon enriches its home and bathroom collections with its first storage mirror, designed to optimize the space it inhabits without forgoing beauty and practicality.

Château owes its name to the inspiration behind its design: in fact, the geometric lines that define its minimalist tripartite silhouette are inspired by those of the facades of France's most iconic castles. The door in the centre, edged by "architectural" frames without knobs, is also minimalist, recalling the enchanted atmosphere of a magical place to be explored with the imagination.

Inside, the Château mirror stores everything needed for daily self-care in perfect order: six open shelves are directly accessible on the two sides, while the door in the centre conceals three more, also available with LED lighting.

The matt lacquered wood frame is available in Warm Grey, Off White, English Green and Dark Grey, all of which can also be customised with a glossy finish.
