CREATED IN FLORENCE. INSPIRED BY THE WORLD.

The compact version of the best-selling Etoile console preserves the original's retro inspiration, the sculptural purity of its 100% made-in-Italy ceramic washbasin, and the exquisite craftsmanship that enhances its turned brass structure (available in bronze, chrome, polished nickel, and light gold finishes), complemented by a practical glass shelf. Thanks to its compact dimensions (W 60 × H 86 × D 45.5 cm), Etoile Medium is the ideal solution for both residential and hospitality projects, catering to the growing desire to make even the smallest bathrooms feel sophisticated and exclusive. Towel rail rods can be integrated upon request.
