ATELIER PETIT

On the occasion of Cersaie 2019, Devon&Devon presents a new collection of classic-style floorings for the home, hotel and retail sectors, designed to create environments of sophisticated elegance and timeless beauty.

Essential are the colours (black and white) and the contrast geometric designs of floors, which are available in a monochrome version or decorated with three different geometric patterns inspired by the purity of lines (Bandeau model), the perfection of the triangle (Triangle model) and the absolute harmony of the square (Carré model).

The laying surfaces are highly versatile, allowing you to create compositely traditional patterns or surprising optical configurations, such as the zig-zag motif which can be achieved by juxtaposing the Atelier Petit Bandeau elements or the positive or negative starry pattern by Atelier Petit Triangle.

Since Devon&Devon production has always been very attentive to the world of design and customers' needs, the entire Atelier Petit collection is available both in marble (Carrara white or Marquina black) and in porcelain stoneware.

Dimensions: 50x50 cm – Thickness of porcelain stoneware: 8,5 mm; Thickness of marble: 12 mm
