Devon&Devon

CREATED IN FLORENCE. INSPIRED BY THE WORLD.

As every year, Devon&Devon pays tribute to the Pantone Color of the Year by offering unexpected colour variations of its most iconic products.

For 2024, the Victorian-inspired Admiral cast iron bathtub with matt lacquered brushed brass feet is dressed in the light and velvety sensuality of Peach Fuzz, a warm and welcoming orangey pink that invites you to enrich your body, heart and mind by taking care of yourself with a focus on tenderness.

In the background, a reinterpretation of the vibrant organic geometries of the Costarica Wine wallpaper, designed by Vito Nesta for Devon&Devon.
