Devon&Devon

CREATED IN FLORENCE. INSPIRED BY THE WORLD.

This year, Devon&Devon once again celebrates the Pantone colour, presenting the most iconic items from its collections in the shade that best interprets the spirit of our times.

The colour for 2025 is Mocha Mousse, a soft embrace in brown that recalls the fragrance of cocoa and coffee and hints at those little everyday pleasures. It has been chosen by the Pantone Institute because it is a colour that reflects the desire for harmony of our times and our search for a more authentic, deeper connection with nature and what is essential.

Focusing on this connection with nature suggested by Mocha Mousse, Devon&Devon reworks the pure Victorian design of its Admiral cast iron bathtub in an unusual pairing with the new Florence Green wallpaper.
