CREATED IN FLORENCE. INSPIRED BY THE WORLD.

This year, Devon&Devon once again celebrates the new Pantone colour, with the items from its collections that best interpret the spirit of our times.

Colour of the year 2026 is Cloud Dancer, an ethereal, bright, calm white that symbolises the desire for peace and wellbeing typical of our age and releases expressive creativity in an invitation to new intuition.

With the Victorian purity of Admiral cast iron bathtub and the reverie prompted by Zen wallpaper, designed in collaboration with Marcel Wanders, Devon&Devon pays tribute to the promise of visual simplicity conveyed by Cloud Dancer and to a philosophy of living that draws focus back to what is truly essential.
