*Devon&Devon presents Season Vanity,
the first washbasin vanity unit with integrated dressing table*

Season's highly distinctive neoclassical style remains untouched in this unique version of the iconic vanity unit, which features an integrated dressing table with four drawers and a pull-out velvet top.

This one-of-a-kind solution makes it possible to turn even the most compact space into an exclusive, luxurious beauty haven.

Like other Devon&Devon products, Season Vanity is the result of impeccable craftsmanship and the finest materials, all of which are available in a bespoke choice of colours and finishes. The marble top is available in six variations (Calacatta Borghini, Crema Extra, Botticino Fiorito, Bianco Carrara, Nero Marquina and Bianco Afyon). The knobs are made of brass and are available in the following finishes: chrome, light gold, polished nickel or bronze. The wooden elements have all been treated with eco-friendly varnishes and are available in a wide range of colours from the whitest white to black and the new Lundy Green shade. The ceramic York basin is available in white or black to blend in beautifully with the marble top.
